

## 2009-10 Tuition and Fees

### Non Refundable Fees

|   |             |                                      |
|---|-------------|--------------------------------------|
| New student application fee               |             | \$100 (\$50 each additional student) |
| Early Registration fee (prior to Jan. 17) |             | \$275                                |
| Registration fee (after Jan 18)           |             | \$350                                |
| Extended Care Registration                |             | \$50 per student                     |
| Materials fee                             | Pre-K       | \$250                                |
|   | Grades K-5  | \$400                                |
|   | Grades 6-8  | \$475                                |
|   | Grades 9-12 | \$525                                |
| Mid year withdrawal fee                   |             | 10% of total yearly tuition rate     |

The materials fee covers per child fixed costs and includes items such as consumables, book rental, copying, secondary insurance, accreditation membership, yearbook, transportation, lab and technology fees.
