

If you are a new student, welcome to Real Life Christian Academy and our registration process. Please note that all new students must submit an application and be accepted before registering. If you are a returning student, welcome back. Please submit any changes in address, phone numbers or employment since last enrollment on ParentsWeb so we can update our records.

Read all instructions carefully and fill-out all forms completely. If you have questions, please contact the school office.

What are the steps to register my child?

1. Submit Required Forms.

- Enrollment Contract:** Read, complete and submit the Enrollment Contract. Mark all services requested. Be sure to sign in the appropriate place.
- Family Commitment of Cooperation:** Every family must submit a statement of cooperation signed by the enrolling student, both parents and/or guardian. This statement asserts agreement and support for Real Life Christian Academy policies.
- Tuition Payment Preference form:** Each family must participate in the FACTS payment plan and accounting system. We will waive the fee for pay in full families. This form will inform us of your preference and enable us to re-enroll returning students in the FACTS payment plan. First-time enrollees must complete a FACTS contract.

2. Pay registration fee.

If you register on or before January 22, 2009 include a \$275 registration fee per child. After this date the registration fee is \$350 per child. This fee holds your child's place in class and is non-refundable unless your child is on a waiting list for a space in class and no space becomes available.

3. Submit any optional forms.

- Real Life Christian Church active member discount** – Active members of Real Life Christian Church are eligible for a tuition discount. To receive the discount, applicants must submit the form and meet all active membership requirements. Additionally, applicants must complete the FACTS tuition aid and grant assessment online at www.factstuitionaid.com, submit the required supporting materials, and pay the application fee. If you are only applying for the church discount and not tuition aid, you need only complete the income sections of the form. Returning students must re-apply each year at registration to be eligible for this discount. Applications received and approved during the school year will be pro-rated. Once approved the aid funds will be applied directly to your account for the applicable school year.

- ❑ *Tuition Assistance Financial Aid* – RLCA has a limited amount of tuition assistance, which can help fund part of the tuition costs. This aid is based on financial need and student citizenship. Application is made through FACTS tuition aid and grant assessment. Apply online at www.factstuitionaid.com; submit the required supporting materials, and pay the \$20 application fee. The deadline for submitting the application and all verification documents for Tuition Assistance Financial Aid for the 2010-2011 school year is April 23, 2010.

- ❑ *Class Placement Request* – Some parents prefer to place their child with a particular teacher. We will do our best to accommodate your teacher preferences, but administration reserves the right to place children with any teacher. The request must be made in writing on the Class Placement Request Form, which is available in the school office. No placement requests will be accepted after the placement request deadline or over the phone.

4. Submit medical forms.

New students must submit an original Florida immunization form 680 and physical form 3040 to the office by July 1st. Returning students entering kindergarten and seventh grade must submit current immunization forms and physicals. Please check with the office if you have any questions.

What are the important dates that I need to know?
