

## FAMILY COMMITMENT OF COOPERATION 2010-2011

This statement of cooperation must be signed by the parents or guardian annually. It affirms your family support for the policies, personnel and procedures of Real Life Christian Academy.

1. We understand that attendance at Real Life Christian Academy is a privilege and not a right; while our child is enrolled we will offer our complete support and cooperation for the school's programs, policies and personnel. We realize the school reserves the right to dismiss any student who disrupts the educational process or whose family is found to be out of harmony with the rules and policies of the school.
2. We acknowledge that as a ministry of Real Life Christian Church, the school will teach Bible, have regular worship services and approach all learning from a Christian perspective. We desire that Real Life Christian Academy develop in our child a Christian moral perspective and knowledge of Jesus Christ.
3. At no time will we participate in destructive criticism of Real Life Christian Academy or its employees. We will refrain from complaining to parents of other students or persons unrelated to the school; instead we will go directly to the individual to resolve any problems in a Christian manner.
4. We understand that making demands, threatening to contact an attorney or to sue or actually litigating a matter against Real Life Christian Church clearly violates Biblical teaching and practice and shall constitute sufficient grounds for immediate expulsion of my child from the Academy. If an issue cannot be remedied, we agree to quietly withdraw our child from the school rather than encourage discord or unrest among other parents.
5. We support the rules of Real Life Christian Academy governing the dress, behavior, and attitude of our child and will cooperate in their enforcement, including the consequences that the teachers, staff and administration deem appropriate. We will read and sign discipline reports and work with our child to correct any problems. We understand that repeated or serious offenses as defined by the current Parent-Student Handbook may result in suspension or immediate expulsion.
6. We give permission for our child to take part in all school activities, including sports and school sponsored trips away from the school premises, and absolve the school and Real Life Christian Church from liability because of any injury to my child at school or during any school activity. In case of injury or illness and it is impossible to contact us or our physician, the school may take any action it deems necessary for the health and safety of our child.
7. We understand that we are liable for any damages our child causes to school or church property.
8. We give permission and release all rights for the school to use images of our child for public relations purposes, including the yearbook or web-site. We release the school and its employees of any claims that might arise from the photographs taken.
