

RLCA Girls' Dress Code

General Information

In selecting the RLCA dress code, it has been our desire to find clothing that looks uniform and neat while providing good quality at a reasonable price. The selection below provides several options for parents both in price and availability.

Girls will wear *khaki* slacks, skirts, jumpers or shorts from the approved list below. (Uniform sizes start at size 4. Preschool students still wearing toddler sizes may choose an alternate brand for the khaki uniform items.) Belts will be worn with any items with belt loops. If a child cannot wear uniform options due to health reasons or fit, please contact the office for guidance. Without a pre-approved, written exemption students will be required to wear uniform items.

All shirts are purchased from Get Imprinted through our school website. Students have the following options available for purchase:

- royal blue long or short-sleeved polo shirts (Black and purple are also allowed for secondary students)
- purple or royal blue sweatshirts (for extra warmth in the classroom)
- purple school-logo t-shirts for jeans days

RLCA occasionally has a special jean day. For these days, students may wear a school-logo t-shirt in place of their regular polo shirt. Students will wear athletic shoes and socks every day. In the classroom, students may wear either the uniform sweatshirts or uniform jackets for extra warmth. When playing outside, students may wear non-uniform jackets. Secondary students taking PE will wear the PE uniform available through Get Imprinted.

Approved Uniform Items
